

यात्रीगण कृपया ध्यान दें !!

The Train Restaurant crew welcomes you onboard. This journey has been especially architect to offer you an amazing experience. Our team has worked very hard to put all the intricate details together.

We request you to be extra cautious around the trains. Each part has been handpicked owing to its exquisiteness. The trains and its accessories have been imported from Germany and are expensive. Any negligence leading to harm would have to be settled with a fair compensation. So help us through the course of this journey so we can fulfill this unique journey.

As you have taken your seat, place your order, the engines are steaming and the journey is about to commence!
