

Cara Nonna,

I'm beyond excited to announce the opening of my very own pizzeria in New Delhi - Cecilia's.

It's inspired by everything you've taught me - your incredible timeless recipes, the passion you poured into every dish, and the joy of those unforgettable Italian summers.

Every detail & corner at Cecilia's echoes the magic of our time spent together, laughing, cooking & learning - all in the the warmth of your kitchen.

I can't wait for you to visit & taste the very first pizza, created just for you - my muse, my inspiration, always.

Con amore,
Cecilia

" I'm Chef Roberta, from Naples.

I grew up learning the art of authentic Neapolitan pizza in Italy. I didn't come here to change the recipe.

I came to keep it the same. Same flour, same sauces, same kitchen energy - just in a new city, on new plates."
