A watercolor illustration of coffee-making items. In the top left, a white cup of coffee with a dusting of brown powder sits on a matching saucer. To its right, a small blue cup also contains coffee. In the center, a large, dark brown circular shape contains the word 'Cure' in a gold, cursive font, with a gold fork positioned horizontally below it. To the left of this circle, a silver manual coffee grinder is shown, with several dark brown coffee beans scattered around it. In the bottom left, a blue coffee pot or carafe is filled with coffee and beans. In the bottom right, another white cup of coffee with a dusting of brown powder sits on a saucer, with more coffee beans scattered nearby. The background is a light beige color with subtle watercolor washes and scattered coffee beans.
