# SERIAL-DIPSTERS

Serial Dipster was inspired by founder Anant's trip to London, where he explored a variety of unique burgers. While smash burgers dominate Mumbai's burger scene, Anant aimed to break the mold and introduce something different. During his culinary journey, he discovered a memorable burger served with a side of Biriah Broth. This broth is soaked into the bun, enhancing the taste and creating an unparalleled flavor experience.

Determined to bring this concept back to Mumbai, "Serial Dipster" was born. The menu features an Indianized twist with a rich, flavorful veg broth which comes in 3 heat levels (regular, spicy, death wish spicy) unlike anything found locally. The tableside service sets the experience apart: cheese on the burger is blow-torched and melted live, adding a smokey flavor. Diners dip their burger into their choice of broth for an extraordinary burst of flavor. It's a journey to burger heaven, one dip at a time.

**ARE THESE THE BEST BURGERS IN MUMBAI YET? HELL YEAH!**

All burgers served with garlic toum, torched mozzarella, aromatic veg broth (choose spice level), grilled onions, lettuce, butter toasted bun
