

Jeevan

Restaurant

The real taste of food

When Vile Parle was just another small village,
amidst lush greenery, a young man Shri.Vasudeo Joglekar, known as Appa Joglekar,
started an eatery with the sole purpose of providing home cooked meals.

It became an instant hit with Parlekars coming to this humble eatery.
With quality maintenance, neat and clean ambience, courteous staff and a
lively atmosphere this humble eatery flourished to what became well known as
'Jeevan Restaurant'. Over 66 years of dedicated service, Jeevan Restaurant
became a trusted name for pure vegetarian and home cooked food.

As years passed, with a diverse population in Vile Parle and surrounding areas,
the changing taste and food trends, we upgraded our menu and cater to more people.

*(Jeevan means Life and Jevan in Marathi means Food. There is just an additional 'e' to the
spelling of Jevan which makes it Jeevan. That 'E' means our heartfelt 'Emotional Touch'
to the food that we provide which our valued patrons will vouch for.)*

A life changing moment has come where we have upgraded ourselves once again.
We always believe in 'authenticity' and hence, though our menu now has an array
of dishes from Maharashtrian, Punjabi, Gujarati, Continental, Oriental we have
adhered to the same practice of keeping the authentic taste for every cuisine that
we serve. In addition to the previous menu, we have more delicious recipes in our
kitchen ready to be served for our valuable patrons. Apart from the regular snacks,
meals we shall be having special recipe and seasonal recipe weeks which will
showcase recipes from around the globe. This is our small way of contributing
towards preserving and promoting rich food culture. We have a good and spacious
area to cater to birthday parties, events, conferences, meetings, seminars for
which you can contact our Manager. Jeevan Restaurant takes great pride in serving
all our valued patrons healthy, tasty and quality food.

Thank you...
