The food was quite good and quantity is also good for the price. Ingredients were fresh as opposed to other Chinese places where I have sometimes experienced stale vegetables in the gravies. I had ordered chicken lollipop and chicken triple rice. Lollipop had little tough covering, but taste was good. Schewan chutney had taste of star anise which was good. Quantity of triple rice is enough for two heavy eaters and taste was very good especially the taste of gravy which was exactly like how I prefer (not many Chinese places make it this way so that's a plus point). Overall good experience for first time. Hope you maintain same taste and quality 😊. Surely ordering again.

Best quality food served with good taste, they have an option to serve you chinese without ajinomoto which is indeed a good step by them and good for our health. The owner is very polite .Cooking oil is used of best quality and the quantity served is also enough. Chicken crispy, Chicken noodles and chicken lollipop is a must try. Overall good and at a affordable rates.
