Far Eastern people have a zodiac like those of the west. Unlike that of the west, the eastern system has a cycle of twelve years instead of twelve months. Each year of the cycle has its own particular animals symbol with meaning, origin and influence stretching back to ancient India and China. According to the mystic Chinese calendar the years are represented by twelve animals. It was a certain New Year's Day, ages ago, that Buddha called all the animals of the world to appear before him. He promised that those who came to pay him homage would receive a gift for their fealty. As a mark of honour, they would be given a year which would thereafter be named after each of them. Of all the animals in the world, only twelve came. In the order they came were the rat, the ox, the tiger, the rabbit, the dragon, the snake, the horse, the sheep, the monkey, the rooster, the dog and the boar.

HORSE : People born in the year of the horse are very skillful in paying compliments & are very popular among people. They are very cheerful but talk too much. They are wise and talented and are capable of making money. They like theatrical entertainment and always go to plays, musical performances and operas. They do not listen to advice and like to break away when they have a chance. The best marriage for them would be with tiger-year, dog-year or sheep-year people. A bad marriage would be with people of the ox-year or rabbit-year. The good would be with one in the rat year.

FAMOUS PERSONS BORN : ED. ROOSEVELT • BARBARA STRIESAND • REMBRANDT • NIKITA KHRUSHCHEV • CHRIS EVERT • AMITABH BACHAN

SHEEP : People born in the year of the sheep are pleasant, highly accomplished in the arts and passionate by nature. They are deeply religious and timid by nature. They are clumsy in speaking and are poor salesmen. They are uncertain about themselves and must be guided throughout their whole life. They are easily stimulated to pity for those who are unfortunate and are willing to help the destitute without expecting thanks. The best marriage for a sheep-year person would be with either a rabbit, boar, or a horse-year person. A bad marriage would be with one born in either the ox or the dog year.

FAMOUS PERSONS BORN : BARBARA WALTERS • MUHAMMAD ALI • BILLIE JEAN KING • KING GEORGE IV • THE SHAH OF IRAN

MONKEY : People born in the year of the monkey are erratic geniuses of the cycle. They are clever, skilful and adroit when making financial deals. They are prized for their talents and flexibility. They are studious and like to know a great deal, with a keen memory. But sometimes they talk too much and will drive people away. The best marriage partner for monkey people would be someone born in the dragon year or the rat year. A bad marriage would be one with a snake-year and boar-year. The good would be with someone in the tiger year.

FAMOUS PERSONS BORN : WALTER MATTAU • EDWARD KENNEDY • MICK JAGGER • DUCHESS OF WINDSOR • NELSON ROCKFELLER

ROOSTER : People born in the year of the rooster are deep thinkers who are always busy and devoted to their work. They always want to do more than they are able because they are eccentric. They are ambitious but not farseeing. They are brave and not shy, seeking to get ahead most of the time. The best marriage for them is with either the ox-year, snake-year or dragon year. A bad marriage would be with someone born in the rat-year dog-year and rabbit-year.

FAMOUS PERSONS BORN : PRINCE PHILLIP • PETER USTINOV • ELTON JOHN • POPE PAUL • ELIA KAZAN

DOG : People born in the year of the dog have all the fine traits of human nature. They have a deep sense of duty and loyalty and are extremely honest. They always do their best in their relationship with people and inspire the confidence of people. Yet they are also selfish and stubborn. They care little for wealth but can make themselves as good leaders in industry with their honesty and industriousness. The best marriage for these people is with either the horse-year, tiger-year or rabbit-year. A bad marriage would be with one born in the year of the ox or rooster. The good would be with someone born in either the dragon or the sheep year.

FAMOUS PERSONS BORN : CHARLES BRONZON • PIERRE CARDIN • SIR WINSTON CHURCHILL • ELVIS PRESLEY • CHOU EN LAI

BOAR : People born in the year of the boar are chivalrous and gallant. They possess tremendous fortune and great honesty. They can be made good friends for life. They like to study and to be learned. They are quite short-tempered, but hate to quarrel or argue because they are affectionate and kind to their loved ones. The best spouses for them are those persons born in the year of the rabbit year or the sheep year. A bad marriage would be one born in either the monkey or the snake year.

FAMOUS PERSONS BORN : RONALD REAGAN • JULIE ANDREWS • WOODY ALLEN • CHANG KAI SHEK • ALFRED HITCHCOCK

RAT : People born in the year of the rat are noted for their charm. They are fussy about small matters and have a tendency to pinch pennies and are able to save a great deal of money. On the other hand, they may lose what they have saved by spending it on someone they love but who does not love them. A person born in this year would do well to marry someone born in either the dragon, the monkey or the ox year. The disastrous one would be a marriage with one born in the horse year.

FAMOUS PERSONS BORN : POPE JOHN PAUL • WILLIAM SHAKESPEARE • KARIM AGA KHAN • YVES ST. LAURENT • PRINCE CHARLES

OX : People born in the year of the ox are very patient and speak little. They have a gift of inspiring confidence in others, and this allows them to achieve great success. Ox-year people are alert and dexterous to the point of genius. They regard affection between men and women as a sort of game they cannot understand. The best marriage for people born in the Ox-year would be with persons born in the snake, rooster or the rat year. A bad marriage would be with those born in the horse, dog or sheep year.

FAMOUS PERSONS BORN : JAWAHARLAL NEHRU • WALT DISNEY • RICHARD NIXON • MARGARET THATCHER • ADOLF HITLER

TIGER : People born in the tiger year are sensitive. Short tempered and with sympathy for those whom they are fond of. Tiger people cannot make up their minds quickly and are suspicious of other people. The worst marriage for a tiger - born person would be with either snake-year or monkey year people.

FAMOUS PERSONS BORN : CHARLES DE GAULLE • GROUCHO MARX • QUEEN ELIZABETH II • MARILYN MONROE

RABBIT : People born in the year of the rabbit are the most fortunate. They are smooth talkers, talented and ambitious. They will succeed in studies, business or in any enterprises as well as in marriage. They are exceptionally clever in business. Rabbit people would do well to marry person born in the sheep, boar or the dog year. A bad marriage would be with someone from either the rat or the rooster year.

FAMOUS PERSONS BORN : DAVID ROCKFELLER • INGRID BERGMAN • FIDEL CASTRO • ALBERT EINSTEIN • JOSEPH STALIN

DRAGON : People born in the year of the dragon are healthy, energetic, excitable, short tempered and stubborn. But they are honest, sensitive, brave and can inspire trust in almost anyone. They are the most eccentric of any in the cycle. They can accomplish success in study, business and almost in any endeavour. But they are not prone to marry early, and in some cases not at all, rather to achieve loneliness in their old age, but people love them. The best marriage for the dragon-year people would be with a person born in the year of the rat, snake, monkey, rooster or tiger. The good would be with one born in the year of the dog.

FAMOUS PERSONS BORN : JOHN LENNON • ST. JOHN OF ARC • FRANK SINATRA • YEHUDI MENUHIN • CHE GUEVARA

SNAKE : People born in the year of the snake speak very little but possess tremendous wisdom. They are fortunate in money matter. They will always be able to obtain the money whenever they need it. They are stingy. But they have tremendous sympathy for others and will try to help others. They are passionate and are handsome if they are men, and beautiful if they are women. In marriage and in business it would be good for them to have someone born either in the rat, rabbit, dragon, horse, sheep or dog year. A bad marriage would be with one born in either the tiger or boar year.
