# DOBARAA

*Dobarraa defies status quo, is a rebel of sorts. Just like India is breaking away from perceptions and stereotypes, Dobarraa represents that in its own fractional way. We take pride in our continuous eclecticism in food. The menu has taken us over two years to find its direction and calling. We believe in the magic of freewheeling, where the journey is more enjoyable than the destination.*

## THE ANGLO INDIAN

The Anglo-Indian community has been gradually decreasing in numbers due to emigration and integration into the wider Indian society. This has led to a decline in the number of families preserving and passing down traditional Anglo-Indian recipes. In our effort to mainstream the cuisine, we present this Fandue style hand-torn and butter-tossed soft croutons of white bread, i.e. dabbal roti (not the caramel infused fake brown bread), topped with liberal dollops of curry.
