

Modern Cafe

PURE VEG

Since 1962

For over 62 years, we've been the heart of vegetarian dining in Dombivli, serving generations with dishes that evoke comfort, warmth, and the taste of home.

Now, with our second branch, we are reimagining the café experience. At Modern Café, we bring together the rich essence of an Udipi-inspired eatery and the lively charm of a modern café—crafted for the Indian soul.

Imagine a place where the aroma of freshly brewed filter coffee mingles with the sizzle of Indo-Chinese favourites, the spices of South Indian classics, and the flavours of hearty North Indian fare.

This is more than just a café—it's a bridge between tradition and today, where every dish carries the nostalgia of family meals and the joy of discovering something new. Welcome home!
