VEGETARIAN CUISINE

कुछ भी ध्यान बन सकता है

“पानी पीना”

पानी पीते हुए पानी का ठंडापन अनुभव करो ।
आंखें बंद कर लो,
धीरे-धीरे पानी पीओ और उसका स्वाद लो ।
पानी की शीतलता को महसूस करो और महसूस
करो कि तुम शीतलता ही बन गए हो ।
जब तुम पानी पीते हो तो पानी की शीतलता तुममें
प्रवेश करती है । तुम्हारे अंग बन जाती है । तुम्हारा
मुंह शीतलता को छुता है । तुम्हारी जीभ उसे छूती है ।
और ऐसे वह तूम में प्रवेश हो जाती है ।

उसे तुम्हारे पूरे शरीर में प्रविष्ट होने दो । उसकी
लहरों को फैलने दो और तुम अपने पूरे शरीर में
वह शीतलता महसूस करोगे ।

इस भांति तुम्हारी संवेदनशीलता बढ़ेगी । विकसित
होगी । और तुम ज्यादा जीवंत, ज्यादा भरे पुरे हो जाओगे ।

- तंत्र-युग

॥ ओशो ॥

Eat and Drink Consciously

“We eat very unconsciously,
automatically, robotlike.

If the taste is not lived, you are just stuffing.

Go slow, and be aware of the taste.

Do not just go on swallowing things.

Taste them unhurriedly and become the taste.
