MONROE Times

The Monroe that has come to be a known name today, started as MARS Café, Lounge & Restaurant which revolutionised celebrations and parties in the city. Bringing the concept of Gazebo seating, we were the pioneer of customised decoration and party packages. At this beautiful rooftop restaurant, we have the capacity of catering to 150+ guests at a time. Being in the heart of the city, it has easy access and we can also conveniently reach the patrons who cannot come to us by the means of food deliveries and our house party packages. With our age no bar concept, The Monroe sees diners from the age of 8 - 80, having the time of their lives, enjoying scrumptious snacks and mouth watering meals.
