Degree of Doneness

Rare (120F - 125F) - Cool to warm red texture centre,
soft and tender texture.

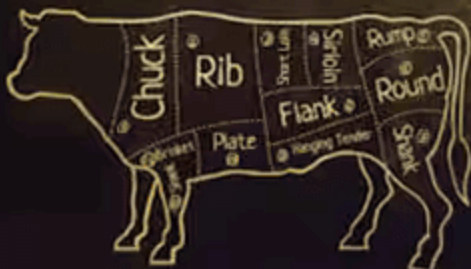

Medium Rare (130 - 135F) - Warm red centre, the
perfect steak. (**Recommended**)

Medium (140F - 145F) - Hot pink centre , slightly
firmer texture.
(Alright , we still have some flavour left)

Medium well (150F - 155F) - Mostly brown with some
pink left, firm texture.
(Almost jerky, very little flavour left)

Well done (160F+)

No pink colour , no flavour and very firm texture.
(Oye, you have destroyed the steak, zero flavour)

Prime Cuts

Filet Mignon - 2.7/g

Extremely tender cut with a very lean profile,
comes from the tenderloin section.

Ribeye - 2.5/g

Highly marbled cut from the rib section.

Picanha - 2.25/g

Rich steak with a very intense beefy flavour,
comes from the rump section.

NY Strip / Striploin - 1.95/g

Tender cut from the short loin section, beefy
and a personal favourite.

Recently discovered steaks

Denver - 2.1/g

A little bit tougher cut from the chuck portion,
has a lot of blood flow and extremely beefy.

Flat Iron - 1.75/g

A very tender cut which comes from the chuck,
little more towards the leaner side
