Bab Arabia opens a unique gateway to authentic Turkish and Arabian culinary delights. Our chef came down all the way from Turkey to Kerala with his years of expertise. We prepare every dish the way Turks have been preparing their dishes across centuries.

Turkish cuisine is one of the great and widely loved cuisines of the world. It has countless and endless stories to tell - about its history, evolution, variety and the unique way of preparing them.

It was during the 500 years of Ottoman rule that Turk flourished in its culinary skills. Access to fresh ingredients like fish, poultry, fruits, vegetables and spices was easy then. Moreover, people belonging to various culinary traditions came in, blended in and it enriched the cuisine manifold.

Now, here we are exclusively presenting to you through Bab Arabia, the gateway to Arabian Dishes.
