RECOMMENDED WAY TO HAVE NEAPOLITAN PIZZA

Is Neapolitan pizza unusually floppy? Undeniably. Every slice cannot support its own weight and hence, fold a Neapolitan pizza slice. Otherwise it is clearly going to flop and loll like a parched dog's tongue, and all your toppings will drop off.

Pizza Veg

Choice of Base - Classic Neapolitan | Whole Wheat +150

(10 inch Wood Fire Neapolitan Style Pizza)

Welcome to PICO, Kolkata's culinary gem where we redefine the art of Neapolitan Pizza & Specialty Coffee. At Pico, we are pushing the envelope by bringing you authentic Woodfire Neapolitan Pizzas crafted with passion and precision. Each pizza is a masterpiece, featuring a perfectly charred, airy crust topped with the freshest, handpicked ingredients that burst with flavor.

Our commitment to quality extends beyond our pizzas to our coffee culture. We believe that a great cup of coffee is an experience, not just a drink. That's why we source premium coffee beans and have expert baristas to brew specialty coffees that will tantalize your taste buds and warm your soul.
