Food Menu

As the first impression is believed to be the last impression, we at the Rare Window however believe otherwise, more stress on lasting impressions rather than last impression.

The cuisine of India is characterised by sophisticated and subtle use of various spices, herbs and other raw materials grown in India. Each family of Indian cuisine is characterised by a wide assortment of dishes and cooking techniques, as a consequence, it varies from region to region reflecting the varied demographics of the ethnically diverse Indian subcontinent.

A dining experience at the Rare Window will make you believe that exclusively with a touch of simplicity is important in the creation of every delicious dishes. Along with the assurance of a wide range of delectable dishes and an immaculate service. A meal at the Rare Window inspires interactive dining.

As our motto tough on quality and strong on personality.
