A collage of various Indian street food dishes. At the top left is a large, golden-brown dosa rolled up on a white plate. To its right is a plate of idlis (white rice cakes) and vadas (fried doughnuts) served with chutneys. Below the dosa are several small bowls containing different chutneys and a bowl of red chili sauce. To the right of the dosa is a plate of two golden-brown buns (bajjis) served with a bowl of chutney. Below the buns is a plate of three small, round, golden-brown snacks (possibly bhajis or fritters) served with a bowl of chutney. At the bottom right is a plate of a large, round, golden-brown snack (possibly a dosa or a large bhaji) topped with a generous amount of chutney and vegetables. The background is a dark, textured surface with a yellow and orange curved border at the bottom.
