About Us

STONE OVEN'S menu has been designed by Chef Nitesh Save. The style and presentation is modern Italian with underlying Indian Textures & subtleties that take the Indian palate by surprise and leave you wanting more!

Many Mattes on the menu have been influenced by the experience Nitesh has had CELINI, GRAND HYATT MUMBAI'S BEST ITALIAN RESTAURANT, understanding the taste of the Foodies and also the growing popularity at Italian food in the city.

In 2024, Stone Oven became a journey that's been on for 15+ years that went from drifts canals of Italy, savouring Pizzas, Pastas, Lasagne's with tongue tingling mocktails. Ahead it went to the fiery Mexico riding the old town road with choicest Quesadillas, Tacos and Crunchiest nachos with shakes to soothe the tongue. A sharp turn it took to oriental delicacies tasting the subtle Sichuan with a bowl of rice and flavourful soups. But, this is just the start and there's more to it. Be a part of this journey with Stone oven.

Thank You
